- Partnership Update: Liverpool Hope University
- Accreditation & Quality Assurance
- Student Wellbeing & Mental Health Support
- Celebrations at Belmont

### Welcome Aboard September 2025 Cohort

A confident start to the academic year. Belmont College's 4th successful Induction took place on the 26th of September 2025, marking an exciting start to the new academic year.

From all the Belmont College Team, we welcome all our new students to the Business and Management Foundation Year Programme in partnership with Liverpool Hope University and wish them the very best of luck with their academic journey at Belmont College!

### A Confident Start to 2026

As we begin a fresh new term, Belmont College continues to grow in strength, student success, and academic excellence. Our expanding community reflects our commitment to delivering high quality education within a

supportive environment. We are proud to see our Foundation Year students progressing confidently in their academic journey and preparing for the next stages of their Business and Management degree pathway.

# Awesome News

A very big well done to our 1<sup>st</sup> & 2<sup>nd</sup> Belmont College Cohorts - September & November 2024, for completing their Liverpool Hope University Foundation Year, part of their BA Business Management programme. It is with great pride that Belmont College announces that many students have progressed onto Level 4 year of studies.

This is a great achievement for both Belmont College and you - our students! We look forward to being with you over the next Academic Year - guiding you and supporting you to achieve your academic goal and dream!

## Flashback to 1 year ago, where it all began!

## New Belmont College Team Members

As Belmont College is growing and progressing, so are the members of the staff. We would like to introduce some of our newest team members who are here to assist you along your academic journey at Belmont College.

**Head of Professional Services**  
Ms Narmadha Shanmugam

**IT Developer**  
Mr Umair Afzal

# ACCESS AUDIT

**Accessibility Check Result:** Belmont College is fit for purpose and ready for all!

**Belmont College:** Inclusive, Accessible and Approved

## Accreditation Update

While most students were having their well-deserved break following their first academic year, staff at Belmont were busy with the 3<sup>rd</sup> Stage audit of Belmont's ASIC Accreditation.

Belmont College is proud to announce that it has achieved and also accredited by Accreditation Service for International Schools, Colleges & Universities (ASIC)

## Staff Training

A number of Belmont College staff have had extensive Mental Health First Aid Training by Mind In Haringey as a means of better supporting all our students. You can find more information about Belmont College's Mental Health and Wellbeing Support Services on our website - <https://bellmontcollege.co.uk/wellbeing-advice-support.php>

## Student Staff Liaison Committee

The Student and Staff Liaison Committee offers a highly valuable platform for all students and staff to come together and discuss academic experiences, feedback, and ideas for improvement.

It ensures that student voices are heard and considered in decision-making. Through open dialogue and consistent efforts, we continue to strengthen the learning experience at Belmont College.

## CELEBRATIONS AT BELLMONT

At Belmont College, we believe in creativity, collaboration, and fun, creating a workplace that's inspiring, supportive, and enjoyable for everyone. Here's a glimpse of how we celebrate special occasions and events at Belmont.

## Liverpool Hope University / Belmont College Partnership

Bellmont College's Annual Academic Review conducted by Liverpool Hope's Deputy Vice Chancellor in May 2025 gave positive endorsement for the introduction of additional courses, paving the way for new programme offerings from the September 2026 intake.
